SPONSORSHIP

DT2's mission is to promote a thriving community and shared prosperity by facilitating economic development and fostering opportunity in the Dutchtown neighborhood. Through this mission, DT2 aims to attract diverse ownership, promote places, spaces, and faces, and increase occupancy.

Beyond our mission, DT2 at its heart is a group of diverse and engaged volunteer neighbors trying to change the perception of St. Louis' largest and most populous neighborhood, one positive experience at a time.

It's for this reason that in 2019, Downtown Dutchtown invested in our local neighborhood community by hosting three summer movie night events in June, July, and August. In 2020, we are continuing the tradition and hope to expand into September.

We know that times are tough for our neighbors and businesses, but we also know a shared sense of community is more important now than ever. That's why we are looking for partners to sponsor the 2020 movie series.
